

# JOURNAL OF APPLIED GEOPHYSICS

---

## Co-Editors in Chief

Jyoti Behura, Colorado School of Mines, Colorado, Colorado, USA  
Jianghai Xia, Zhejiang University, Zhejiang  
Maurizio Fedi, Università degli studi di Napoli Federico II, Napoli, Italy  
Mark Everett, Texas A&M University, Texas, USA

## Founding Editors

D.S. Parasnis, Luleå, Sweden  
R. Puranen, Espoo, Finland  
S. Saxov, Skanderborg, Denmark  
T. Siikarla, Helsinki, Finland

## Editorial Board

W.E. de Medeiros (Universidade Federal do Rio Grande, Natal, Brazil)  
S. Friedel (FEMLAB GmbH, Zürich, Switzerland)  
M. Goldman (Institute for Petroleum Research and Geophysics, Holon, Israel)  
A. Güntner (GFZ German Research Centre for Geosciences, Potsdam, Germany)  
F.J. Herrmann (University of British Columbia, Vancouver, Canada)  
A. Hirt (Universität Zürich, Switzerland)  
M.H. Loke (Geotomo Software, Penang, Malaysia)  
M.W. Lubczynski (Int. Institute for Geo-Information Sci., Enschede, Netherlands)

J.O. Parra (Southwest Research Institute, San Antonio, USA)  
D. Patella (Naples, Italy)  
D. Rucker (Hydrogeophysics, Inc., Tucson, USA)  
R. Streich (GFZ German Research Centre for Geosciences, Potsdam, Germany)  
K. Titov (St. Petersburg State University, Russia)  
F.C. Tontini (Marine Geosciences Department GNS Science, New Zealand)  
J. Tronicke (University Potsdam, Germany)  
X. Wu (Postdoctoral Fellow Bureau of Economic Geology University of Texas, Austin)

## Associate Editors

K. Bandyopadhyay, ExxonMobil Upstream Research Company, Houston, USA  
E. Biegert, Shell E&P Technology Co, USA  
T. Blum, École Polytechnique Fédérale de Lausanne (EPFL), Lausanne, Switzerland  
A. Brenders, BP America Inc, Houston, USA  
R. Cakir, Washington State Department of Natural Resources, Olympia, USA  
J. Cao, ConocoPhillips, Houston, USA  
B. Carr, University of Wyoming, Laramie, USA  
F. Cella, Università della Calabria, Rende, Italy  
Y. Chen, Zhejiang University, Zhejiang Province, China  
J. Deceuster, University of Mons, Mons, Belgium  
Alberto Godio, Polytechnic of Turin Department of Environmental Land and Infrastructure Engineering, Torino, Italy  
T. Günther, Leibniz Institute for Applied Geophysics, Hannover, Germany  
A. Güntner, Helmholtz Centre Potsdam, Potsdam, Germany  
F. Herrmann, University of British Columbia, Vancouver, Canada  
A. Hirt, Universität Zürich, Zürich, Switzerland  
Trevor P. Irons, The University of Utah, USA  
Niklas Juhojuntti, LKAB Kiruna, Kiruna, Sweden  
V. Karastathis, National Observatory of Athens, Athens, Greece  
M. Kass, U.S. Geological Survey (USGS), Denver, USA  
Jan van der Kruk, RWTH Aachen University, Aachen, Germany  
Abhash Kumar, AECOM Technology Corp  
L. Liu, University of Connecticut, Connecticut, USA  
M. Loke, Geotomosoft Solutions, Malaysia  
L. Louis, New England Research, Vermont, USA  
M. Lubczynski, International Inst. for Geo-Information Science & Earth Observation (ITC), Enschede, Netherlands

Y. Ma, ConocoPhillips, Houston, USA  
A. Malehmir, Uppsala University, Uppsala, Sweden  
E. Naeini, Ikon Science, London, UK  
Jorge Parra, Southwest Research Institute, San Antonio, United States  
Domenico Patella, University of Naples Federico II, Napoli, Italy  
J. Parra, Southwest Research Institute, San Antonio, USA  
P. Pezard, Université Montpellier, Montpellier, France  
A. Saad, Saad GeoConsulting, Richmond, Texas, USA  
R. Sharma, Indian Institute of Technology Roorkee, Roorkee, India  
R. Streich, Helmholtz Centre Potsdam, Potsdam, Germany  
K. Takahashi, Tohoku University, Japan  
M. Takanashi, JOGMEC (Japan Oil, Gas and Metals National Corporation), Japan  
P. Taylor, NASA/GSFC, Greenbelt, USA  
G. Tian, Zhejiang University, Hangzhou, China  
K. Titov, St. Petersburg State University, St. Petersburg, Russian Federation  
F. Caratori Tontini, GNS Science, Lower Hutt, New Zealand  
J. Tronicke, Universität Potsdam, Golm, Germany  
P. Tsourlos, Aristotle University of Thessaloniki, Thessaloniki, Greece  
E. Woolery, University of Kentucky, Lexington, USA  
X. Wu, The University of Texas at Austin, Texas, USA  
Y. Xu, Zhejiang University, Hangzhou, China  
C. Zeng, TGS-NOPEC Geophysical Company, Houston, USA  
B. Zhang, University of Alabama, Tuscaloosa, USA  
J. Zhang, BP America Inc, Houston, USA  
M. Zhdanov, The University of Utah, Salt Lake City, USA
